

Cashew latte

Who could possibly resist this awesome nutty latte made with Alpro Cashew

Drink?

Preparation

1. Prepare 4 double (60ml) espressos with your favourite coffee.
2. Heat up the Alpro Cashew Drink and whisk it with a blender or coffee plunger to make it nice and frothy.
3. Pour the double espresso shot into a glass and add 250ml of the frothy Cashew Drink.
4. Serve with chopped cashew nuts and enjoy: Awesome!

4 portions

10min
