

Iced espresso cubes

Go menthol with these minty-cool iced espresso cubes with Alpro Soya

Unsweetened Wholebean

Preparation

1. Crush the mint leaves together with icing sugar.
2. Divide the espresso ice cubes between four glasses. Pour over the warm or cold Alpro Soya Unsweetened Wholebean.
3. Serve, with one or two teaspoons of the mint infused sugar.
4. Enjoy!

4 servings

10min
